Dear Counsel:

I am writing to obtain your position on our request for a one-week extension of the December 24, 2021 due date for our reply brief in the above-captioned subpoena enforcement action, which would bring the deadline to December 31, 2021, if granted. Among other things, the request is prompted by my commitments in other cases, including a motion to dismiss argument on December 20, 2021 (*SEC v. Morningstar Credit Ratings, LLC*, 20-cv-01359-RA (SDNY)), as well as a complaint filed in the District of Massachusetts on December 20, 2021 (*SEC v. Kliushin*, et al., Civil Action No. 21-CV-12088) (D. Mass).

I'd appreciate you letting me know your position today, so that I can include your position in the letter-motion that I plan to file today. If you do not consent to our request, please let me know your reasoning, as I am required to include that information in the letter-motion (see applicable rule below).

Thanks very much, and please let me know if you have any questions.
